PROJECT 01 · GOVERNMENT · SCHOOL

ISPSC 2026

Ilocos Sur Polytechnic State College (ISPSC)

ISPSC 2026: wide view of the cooking stations with range ovens, sinks and overhead hoods

Stainless-steel laboratory and kitchen work tables, sinks, gas ranges and exhaust hoods, fabricated and installed in a school room (March 2026).

The photographs show rows of stainless-steel work tables in the school room, some still with their protective film on, cooking stations with gas ranges, sinks and overhead exhaust hoods, and a sink station and a range, each with an overhead shelf.

CLIENT	Ilocos Sur Polytechnic State College (ISPSC)
LOCATION	Ilocos Sur
COMPLETED	March 2026
WORK	Stainless-steel laboratory and kitchen work tables, sinks, gas ranges and exhaust hoods
SCOPE	Fabricated and installed in a school room

WHAT THESE PROJECTS SHOW

The same build, in every kitchen

Seams welded and ground smooth, surfaces polished to a professional finish, and every piece built to order.

Work tables and sinks

Laboratory and kitchen work tables and sinks, fabricated to your sizes and installed on site, as at ISPSC.

Gas ranges

Stainless-steel gas ranges, some with an overhead shelf, supplied and installed at ISPSC.

Exhaust hoods

Overhead exhaust hoods above the cooking stations, planned with the cooking line.

Racks, shelving and cabinets

Racks and shelving feature in our DMMMSU project, built to your length, width and height.

Delivery and installation

Equipment delivered to your site, installed there and commissioned for use.

Schools and universities

Laboratories, school rooms and campuses, supplied and installed for state universities.

YOUR PROJECT

Tell us what you need. We design, fabricate, deliver and install, then commission everything on site. For a larger project (a hospital, school, hotel or commissary), send us a full project brief.

HOW A PROJECT RUNS

From consultation to after-sales

One team carries your project from the first consultation through to after-sales support.

1. **Consultation & site visit**
   We listen to your requirements and visit your site to take measurements.
2. **Design & layout**
   We plan the layout and prepare drawings for your kitchen.
3. **Fabrication**
   Built to order in SS304 or SS316, finished brushed, mirror or satin, with seams welded and ground smooth.
4. **Delivery**
   Your finished equipment is delivered to your site.
5. **Installation & commissioning**
   We install everything on site and commission it for use.
6. **After-sales support**
   Service and support continue after handover.

A sink station with an overhead shelf, installed at ISPSC.

AFTER HANDOVER

6 MONTHS

Service warranty

A 6-month service warranty on our equipment and work.

12 MONTHS

Preventive maintenance

Full-kitchen projects include 12 months of preventive maintenance service (PMS) with KitchenShield™.

PhilGEPS-registered · SEC-registered · VAT-registered

We supply and install through public bidding, and government purchases follow procurement rules.
